Farewell 2018-19

Farewell to the Third Year Students is a way of wishing them good luck for their future endeavours and also felicitating them for the three years of hardwork that they have put in for the degree.

This farewell was no different as we had organised a small event for the students in the College basement and where we had asked all the students to give their testimonials whereas to how they had spent the 3 years in an evening college. The Students came up with a lot of positive things and also broken in tears and confessing to the management and the Principal that how they were blessed to study in the evening college where they could work during the day and also study in the evening. Ms Pearl Fernandes the Principal of the Evening College gave the Vote of Thanks and gave a farewell speech to the Students.

Fr Bosco D'Mello also inspired the students with his presence and a Blessing through his speech and Prayer in the end.

The Farewell ended with dinner for all the Students and staff.
